SPENDING

MONEY:Spending money is a matter of preference. A troop bank will be provided for keeping spending money. Scouts can draw from the bank once a day. We recommend no more than \$30. Most will want to buy a camp t-shirt (usually \$6-10). Scouts taking Basketry, Leatherwork, or Space Exploration should take money for kits available at the Trading Post. Clay pigeons and shotgun shells cost 25¢ per shot for those taking Shotgun Shooting merit badge or shotgun free shoot. Each scout should also have meal money for 3-4 meals on the trip over and back.
